Bulletin TT-45

June 17, 2005

To: Licensed Tobacco Wholesalers

Subject: Revised Wholesaler's Quarterly Report of Sales of Maryland Stamped Cigarettes and/or Roll-Your-Own (RYO) Tobacco by Manufacturer and Brand Family Form COM/ATTB-608-3

Attached is a supply of revised Wholesaler's Quarterly Reports. Discard all obsolete Forms COM/ATTB-608-3 and begin using the new forms for the 2005 2nd quarter filing, which encompasses the months of April, May and June 2005, and is due in this office by July 21, 2005.

This revision will improve collection of Maryland cigarette and RYO sales information, and enable us to better protect Maryland's participation in the Master Settlement Agreement.

Changes are as follows:

- The report year must be entered under the reporting wholesaler's name.
- The report quarter must be indicated by placing a check mark in the appropriate box.
- A separate form must be used for each manufacturer.
- The name and address of the manufacturer of the brand must be provided on the top line.
- The name and address of the entity from which you purchased the brand must be provided on the second line.
- The name and address of the first importer of the brand (for foreign manufactured brands) must be provided on the third line.
- Column B requires cigarette sales totals (in packs) by size, by Manufacturer. Manufacturer totals are required to be calculated for each pack size and entered on line 11.
- Column C requires RYO sales totals (in stick equivalent) by Manufacturer. Manufacturer totals are required to be calculated and entered on line 11.
- A line for the printed name of the signer has been added next to the signature line at the bottom.

Questions concerning the revised forms can be directed to Denise Davis at (410) 260-7321 or Christie Mattox at (410) 260-7312.
