**STATE AND LOCAL TAX CREDIT FOR
INCOME TAXES PAID TO OTHER STATES
AND LOCALITIES INSTRUCTIONS**

GENERAL INSTRUCTIONS

Purpose of Form. The Form 502LC replaces the State tax credit calculation for individuals who paid an income tax to a local jurisdiction in another state for tax years 2012-2014. The Form 502LC also calculates a local tax credit for income taxes paid to another state or to a local jurisdiction in another state for tax years 2012-2014. Individuals should complete this form to determine if the individual may claim a local tax credit and a recalculated State tax credit on the Maryland return. If the individual has already filed a return, the Form 502LC may be used to determine if the individual may file an amended return to claim a local tax credit and a recalculated State tax credit. This form may not be used to claim a local tax credit for taxes paid to another state for tax year 2011 unless an extension was filed for that year with Maryland.

Name and Other Information. Type or print the name(s) as shown on Form 502, 502X or Form 504 in the designated area. Enter the Social Security number for each taxpayer.

When and Where to File. Form 502LC and Form 502CR must be attached to the annual return (Form 502, 502X or 504) and filed with the **Comptroller of Maryland, Revenue Administration Division, P.O. Box 2601, Annapolis, Maryland 21404-2601. Failure to mail the return to this address will result in the delay of the claimed credit(s).**

Tax Year Enter the calendar year or fiscal year in the designated area. A Form 502LC and Form 502CR must be filed separately for each year in which the credits are claimed.

STATE AND LOCAL TAX CREDIT FOR INCOME TAXES PAID TO OTHER STATES

If you are a Maryland resident (including a resident fiduciary) and you paid income tax to another state, you may be eligible for a State and local tax credit on your Maryland return. Find the state to which you paid a nonresident tax in Group I, II or III. The instructions for that group will tell you if you are eligible for credit and should complete Form 502LC.

Nonresidents (filing Form 505, 515 or 504) are not eligible for this local tax credit.

You may be allowed to claim a credit against the State and local tax on the Maryland return, when you pay an income tax to another state and/or local jurisdiction within another state.

If you were a part-year resident, you may not claim a credit for tax paid on nonresident income that was subtracted out on the **Income received during period of nonresidence line** of the Form 502.

INSTRUCTIONS FOR INDIVIDUALS FILING FORM 502

You must file your Maryland income tax return on Form 502 and complete through the Maryland tax line and also complete the Local tax line on that form. Then complete Form 502LC.

Line 11 of the Form 502LC is the sum of your income tax liability to the other state and your income tax liability to a local jurisdiction in that other state (where applicable).

Line 13 of the Form 502LC is your State tax credit. This amount should be entered on Line 1 of the Income Tax Credit Summary section of the Form 502CR. If this line does not equal the State tax credit that was previously calculated on the Form 502CR filed with the original return or if a Form 502CR was not filed with the original return, the amount from Line 13 should be entered in the Income Tax Credit Summary section of a Form 502CR that is filed with the Form 502X. This State tax credit amount calculation replaces the calculation that is found in Part A of the Form 502CR. For taxpayers claiming credit for multiple states, see the instructions Claiming Credit for Taxes Paid to Multiple States.

Write "**WYNNE - 524**" across the top of page 1 of the Form 502X and in the Explanation of Changes to Income, Deductions and Credits on page 2 of the Form 502X. **Failure to follow these instructions may result in a denial of the credit.**

To claim a State and local tax credit for taxes paid to the other state and/or local jurisdiction in the other state, complete and attach the Form 502LC, Form 502CR, and a copy of the other state's nonresident income tax return (not just your W-2 Form), and, if applicable, the local jurisdiction's nonresident income tax return to your Maryland return.

GROUP II - Reciprocal for wages, salaries, tips and commission income only.

Pennsylvania - PA	Washington, DC - DC
Virginia - VA	West Virginia - WV

Maryland has a reciprocal agreement with the states included in Group II. The agreement applies only to wages, salaries, tips and commissions. It does not apply to business income, farm income, rental income, gain from the sale of tangible property, etc. If you had such income subject to tax in these states or localities, to

claim a local tax credit for taxes paid to the other state or locality, you must complete and attach the Form 502LC, Form 502CR, and a copy of the other state's nonresident income tax return (not just your W-2 Form), and, if applicable, the local jurisdiction's nonresident income tax return to your Maryland return. If you had wages, plus income other than wages from a state listed in Group II, you should contact the taxing authorities in the other state or locality to determine the proper method for filing the nonresident return.

SPECIAL NOTE: If you had wages subject to tax in a locality of Pennsylvania, you may file Form 502LC to claim a State and local tax credit. Enter the amount of tax that you paid to the locality on line 11 of the Form 502LC.

GROUP III - No state income tax - No credit allowed.

Alaska - AK	South Dakota - SD
Florida - FL	Washington - WA
Nevada - NV	Wyoming - WY

You must report income from these states on your Maryland resident return. You cannot claim any credit for income earned in these states because you did not pay any income tax to the other state.

PART A - IMPORTANT NOTE FOR DUAL RESIDENTS

A person may be a resident of more than one state at the same time for income tax purposes. If you must file a resident return with both Maryland and another state, use the following rules to determine where the credit should be taken:

1. A person who is domiciled in Maryland and who is subject to tax as a resident of any of the states listed in Group I or II can claim a State and local tax credit on the Maryland Form 502LC.
2. A person domiciled in any state listed in Group I or II who must file a resident return with Maryland must take the credit in the state of domicile.

PART A - SPECIAL INSTRUCTIONS

Members of Pass-through Entities - When a partnership, S corporation, limited liability company (LLC) or business trust files a composite return on behalf of its partners, shareholders or members with states in Groups I and II, Maryland resident partners, shareholders or members may claim a credit for their share of the tax paid. Attach a copy of the composite return filed with each of the other states. In lieu of the composite return, attach a statement(s) from the pass-through entity showing your share of the total income, your share of the taxable net income and your share of the tax liability in each of the other states.

Complete a separate Form 502LC for each state, entering your share of the taxable net income on line 2 and your share of the tax liability on line 11. Do not enter the amount of tax withheld on your behalf as shown on the Maryland Schedule K-1 or other statement issued to you by the pass-through entity. Using only one Form 502LC as a summary section, record the total amount from lines 13 and 14 of the separate Forms 502CR on line 13 and 14, respectively, of the "summary" Form 502LC. Write "SUMMARY" across the top of page 1 of the "summary" Form 502LC.

If the Maryland resident must file an individual nonresident return reporting the partnership, S corporation, LLC or business trust income, a separate Form 502LC and Form 502CR must be completed for each state and submitted with a copy of the return filed with the other state and other local jurisdiction. The local tax liability should be included on line 11 of Form 502LC.

For both composite returns and individual returns, no credit is available for taxes paid to states in Group III.
