

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

Estimated Tax Worksheet Instructions

Purpose of declaration The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than \$500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving \$500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration You must pay at least one-fourth of the total estimated tax on line 15 of this form on or before **April 15, 2019**. The remaining quarterly payments are due **June 15, 2019, September 15, 2019** and **January 15, 2020**. You may pay the total estimated tax with your first payment, if you wish. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax If you overpaid your 2018 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2019 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2019 tax The worksheet is designed to develop an estimate of your 2019 Maryland and local income tax. Be as accurate as you can in forecasting your 2019 income. You may use your 2018 income tax as a guide, but if you will receive more income than you did in 2018, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2019 Maryland taxes may use the Nonresident Estimate Tax Calculator at www.marylandtaxes.gov.

Filing a return instead of fourth payment Instead of making the fourth declaration payment on or before **January 15, 2020**, you may file your 2019 personal income tax return, provided you file it on or before **January 31, 2020** and pay in full with the return any balance of tax due.

Farmers and fishermen If your estimated gross income from farming or fishing is at least two-thirds of your total estimated gross income for the year, special provisions may apply. Your 2019 declaration and full payment of the estimated tax are due on or before **January 15, 2020**. You do not have to file the declaration if you file your complete tax return (Form 502 or 505) and pay the full amount of tax due on or before **March 1, 2020**.

Changes in income or exemptions Your situation may not require you to file a declaration on **April 15, 2019**. However, a large increase in income after that date may require you to file a declaration. If at any time during the year you need to amend your original declaration, simply increase or decrease the remaining payments.

Extension Worksheet Instructions

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2019, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, please be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See **"Will I owe penalties and interest?"**.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2019.

Requesting a Maryland extension when not requesting a federal extension:

- (1) Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,
- (2) Request your extension at www.marylandtaxes.gov.

When should I mail Form PV without a payment?

Never.

When requesting an extension beyond six months, how should I file?

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our Web site. See telefile and Web site information.

When should I file?

If you owe any tax, file Form PV along with your payment on or before April 15, 2019. If you are filing on a fiscal year basis, file by the regular due date of your return.

Where should I file?

You may request your extension at www.marylandtaxes.gov and use electronic funds withdrawal (direct debit) from your savings or checking account. If you want to pay by credit card see below; otherwise, make your check or money order payable to: **COMPTROLLER OF MARYLAND.**

It is recommended that you include your Social Security number on check using blue or black ink and attach to Form PV.

Mail to: **Payment Processing
PO Box 8888
Annapolis, MD 21401-8888**

Will I owe penalties and interest?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

Should I attach a copy of the extension form to my Form 502, 505, 510C or 515?

No, Form PV has replaced the extension Form 502E.
