To: LICENSED CIGARETTE WHOLESALERS
Subject: CIGARETTE SALES BELOW COST — ALTERNATE MINIMUM PRICE

Pursuant to the Code of Maryland Regulations 03.02.03.07, several cigarette wholesalers have applied to sell cigarettes to retailers at less than the 5% markup as required under the Maryland Cigarette Sales Below Cost Act. Those wholesalers who have been approved have been notified individually.

The lowest approved minimum markup percentage is .52%. This percentage is effective statewide as the minimum legal markup from May 1, 2010 until a lower percentage is approved, or April 30, 2011, whichever is earlier. All lower cost percentages approved for the 2011 license year will expire April 30, 2011.

The online Wholesaler Minimum Price Calculator can be accessed from our website:

This link will be updated with the new minimum markup percentage on May 1, 2010. The Wholesaler Alternate Price Calculator is also available at the same website for higher-than-minimum markup calculations.
