Certificate of Verification of Out-of-State Shipments

State motor fuel tax administrator: Please complete this form, verify with signature or stamp, and return this certificate to the dealer as promptly as possible. The certificate must clearly show gallons and type of product received, and be signed by the state into which the fuel was imported. The dealer must use this certificate to support his claim for refund of the Maryland motor fuel tax within one year from the date of the export from Maryland.

This is to certify that _____
Name of claimant

has reported _____ gallons of motor fuel (gasoline / special fuel) as being
imported into the state of _____

from the state of Maryland during the month of _____ 20_____

Signature: _____

Verification stamp:

Refund claimant: Attach this certificate to your report to the state into which motor fuel (gasoline / special fuel) is shipped from Maryland. Once the certificate is signed by the proper authority and returned to you, you must attach the certificate to your claim for a Maryland motor fuel tax refund.
