

Your 2019 W-2: What You Need to Know!

Comparing Your Last Pay Stub To Your W-2

When you compare your W-2 against your final pay stub, the amounts may not be the same. There is a reason and it's to your benefit! Your pay stub represents your actual wages earned, taxes paid, deductions taken and subsidies paid on your behalf. Your W-2 is the reportable portion of your wages, taxes withheld and value of your health cost [when applicable]. Your W-2 Wage & Tax Statement is reported to the Internal Revenue Service (IRS), state governments and Social Security Administration (SSA). **If you worked for more than one (1) state agency or worked for more than one (1) payroll system, please remember to add your last paystub from each agency.** To understand how we arrived at your reporting figures, we'll explain the following:

Tax Sheltered Deductions

Deductions such as dental, pharmacy, medical and other voluntary deductions may be exempt from Federal, Social Security/Medicare (FICA), State and/or Local taxes. Mandatory employee retirement contributions are exempt from Federal income tax, but are taxable for Maryland and FICA. Other voluntary deductions such as deferred compensation are only exempt from Federal or State/Local tax, but are subject to FICA taxation. These are a few examples of "Tax Sheltered Deductions".

- **(Box 1) Wages Subject to Federal Income Taxes**

Any earnings or deduction that is not tax sheltered is subject to Federal income tax. Your reportable wages are listed in Box 1 and are to be used to report on your federal income tax return.

- **(Box 3,5) Wages Subject to Social Security/Medicare (FICA) Taxes**

Any earnings that are subject to Social Security & Medicare wages are reported in Box 3 & 5. This information is reported to SSA and they will credit your account.

- **(Box 6) Additional Medicare Tax 0.9%**

Employers are required to withhold an additional 0.9% in Medicare Tax on any Medicare wages that exceed \$200,000. It is only imposed on the employee. The additional withholding will continue until the end of the calendar year. All Medicare taxes withheld are combined and reported in Box 6.

- **(Box 10) Dependent Care**

This represents the amount that was deducted from your paycheck under the State's dependent care flex program. Amounts equal or less than \$5,000 is non-taxable and reported in Box 10. Amounts in excess of \$5,000 are treated as taxable income and is reported in Box 1, 3, 5, and 16.

- **(Box 12 Code P) Moving Expense Reimbursements**

Tax Cut and Job Act of 2017 modified the treatment of moving expenses. Reimbursements for moving expenses made to employees or paid directly to third parties on and after **January 1, 2018 through December 31, 2025** are to be included in wages subject to federal income tax, state income tax, and FICA taxes. Taxable moving expense is reported in Box 1, 3, 5, and 16. The only exception to this provision applies to members of the Armed Forces on active duty moving pursuant to a military order.

- **(Box 12 Code DD) Health Cost Reporting**

Patient Protection and Affordable Care Act of 2010 require that employers report the total cost of employer-sponsored health group coverage. This is the aggregate of group health plan coverage for the calendar year. The total includes specific health plans that you and your agency paid. It is for informational purposes. **Code DD is not taxable!**

- **(Box 14) State Pickup Amount**

If you contributed to any mandatory state retirement system, it is reported in Box 14 'STPICKUP'. This gets reported on Maryland Form 502 line 3 (Additions to Income) or Maryland Form 505 line 19 code "G" (Additions to Income). It is not subject to federal tax but is subject to Maryland state and locality tax. If you are entitled to a refund on your Maryland state tax return, failure to add the "state pickup amount" may result in a delay of your anticipated refund. Supplemental Retirement Annuity (SRA) 401(k), 403(b), 457(b), and ROTH plans are not factored in Box 14. SRAs are reported in Box 12 using their applicable codes.

- **(Box 16) Wages Subject to State Income Taxes**

Any earnings that are subject to state wages are reported in Box 16. Mandatory retirement contributions are subject to Maryland state taxable wages. These wages are reported to Maryland, District of Columbia or West Virginia state governments.
